Ik heb een interview met Calvin ingestuurd voor in het jaarverslag. Ik heb een bedankbrief van Joyce ingestuurd voor de nieuwe woswijs. Ik hoop dat het allemaal gepubliceerd gaat worden dan kan ik jullie voorzien van een exemplaar.

Verder heb ik allemaal brieven van studenten en deze zijn nu ook als pdf file tjes.

Zoals ik Eddy eerder schreef ben ik aanstaande vrijdag vroeg in de middag in Winterswijk. Misschien kunnen we iets afspreken om even bij te praten.

Groeten van Yvonne

take this opportunity to appreciate your realove efforts.

My gratitude goes to you, Director Joyce, Thanks
also for ensuring my colleagues and I, who are totally

realize our academic dreams.

May God empower your Efforts with his victory
according to his richness in his glory. May you continue
with the same spirit so as to nurture and rehabilitate the
rest.

Joyce, you are my role model, and I believe you
are the mother of orphans like Calvin. I promise to work
very hard and join University.

Finally, I leave you with the quote.

"You may not be written in history books and websites,
